

+ Volunteer Role Description

+ Driveline Assistant & Crossing Guard Volunteer

The Driveline Assistant & Crossing Guard Volunteer ensures the efficient, safe, and organized flow of car and pedestrian traffic during student drop-off and pick-up times. This volunteer plays a crucial role in assisting students and parents as they navigate the carpool process.

This role is ideal for AXIS family and community members who are organized, safety-conscious, and eager to help make school drop-off and pick-up times run smoothly for students and families.

+ Responsibilities

- Coordinate Traffic Flow: Direct cars and parents through designated drop-off and pick-up areas to maintain a smooth and efficient traffic flow.
- Safety Oversight: Ensure students are safely escorted to and from their vehicles, helping them in and out of cars as necessary, and ensuring they enter and exit vehicles at the appropriate locations.
- Enforce Cross Guard Safety Rules: Remind drivers and students of safety guidelines, including appropriate speed limits, drop-off procedures, and proper seatbelt use.
- Problem-Solve and Address Issues: Work with school staff to resolve any issues that arise during driveline or drop off, such as late arrivals, traffic delays, or safety concerns.

+ Qualifications & Benefits

- Friendly and positive attitude.
- Willingness to consistently and firmly enforce safety regulations.
- Punctual and reliable.
- No prior experience required; training will be given on-site.
- Opportunity to engage with students and families and contribute to their well-being.
- Be part of a team dedicated to supporting our AXIS community.

+ Volunteering Conditions

Conditions	Details
